

1428 Lab Rules

- 1. Lab assignments are individual work. However, you may use online resources and class notes.*
- 2. You may work with your neighbor while doing the warm-up and practice exercises.*
- 3. Please leave the lab after finishing your assignment so that others are able to work in peace.*
- 4. You may not make up a lab without a doctor's note or speaking with the lab instructor prior to the missed lab.*
- 5. Do not write in pen. Pencils only.*
- 6. For every minute an assignment is late there will be a -5 point deduction.*
- 7. You may only use the printer for lab related printing.*
- 8. No food at the computers, and drinks on the floor.*
